

Correspondence received since the January 2025 council meeting:

- LALC eNews.
- Complaint from a resident about vehicles contravening the No Entry at the Chapel Lane/Station Road/Mill Lane junction, to access the St Thomas' car park.
- Complaint from a resident about litter on Park Lane (the Fen Lane end) and dog poo bags thrown in the hedge.
- Confirmation that Lincs & Notts Air Ambulance are still able to attend the Annual Parish Meeting in April.
- Notification that Heritage Lincolnshire are working with NKDC to develop a heritage strategy and action plan for the district for the next 10 years. Two workshops and an online survey have been arranged.
- Notification that LCC Highways have commissioned the National Highways & Transport (NHT) surveys for parish and town councils, to ensure that they capture feedback on Highways and transport services in the area.
- Notification from National Grid that they will be putting underground cables in along Canterbury Drive, between 27 January and 21 March. There will be a road closure in place on part of Canterbury drive. Affected residents have received letters about this.
- NKDC Town and Parish Council newsletter.
- Agenda for 2025 Christmas Market Committee meeting.
- Complaint from a resident regarding the state of the bridge over the beck, between High Street and Beck Lane.
- Notification the cricket club have obtained 10 free fruit trees and want to plant them.
- NKDC information about making an environmental action plan.
- Complaint about overgrown hedge on Sunningdale Grove.
- Minutes of MAG flooding meeting.
- Notification of publication of a report summarising the feedback from the Central Lincolnshire Design Code consultation.
- Complaint about speeding traffic on Fen Road.
- LCC Town and Parish Council update.
- Update about the campaign for the safety of lithium-ion batteries.
- LALC Training Bulletin.
- Agenda for the next MAG flooding meeting.
- Notification that the NK Lottery Grant Scheme is open for applications.
- Notification of NKDC new waste collection fees.
- Confirmation from LCC Flood Resilience team on planned installation of telemetry in the village to monitor water levels.

Meetings held since the January 2025 council meeting:

- 29/01/25 – Cllrs Buckley-Jones and Sockell attended the NKDC workshop with Heritage Lincolnshire, to help develop a heritage strategy and action plan for the district for the next 10 years.
- 06/02/25 – Cllrs Sockell and Trafford attended a meeting with the Bowls Club and police representative regarding an application for a premises licence at Station Road.
- 07/02/25 – Cllr Trafford attended the latest Multi Agency Group (MAG) flooding meeting.

Recommendation:

Council to note the correspondence and meetings.
