Report to: Parish Council 02/2025

Council resolved to move to BHIB Councils Insurance (now Clear Councils) in February 2023¹, and agreed a three-year arrangement for our local council cover (which expires 20th February 2026).

Our insurance renewal for 2025-26 has come in, at a total premium payable of £2219.93² for the year. Payment is due prior to our renewal date of 21st February.

The RFO and Clerk have checked the insurance policy details and are happy that the cover is correct/adequate for the council's needs.

If any councillor wants to look through the policy and schedule, these can be viewed in the office.

Recommendation

That council notes there is an adequate level of cover in place and the renewal is paid.
