Dear Elaine

#### Updating Garrett's Charity Scheme

The Charity Commission has asked the Trustees to seek the formal view of the Parochial Church Council of Washingborough with Heighington on the proposal to update the Scheme. As Trustees nominated by Heighington Parish Council we thought it appropriate to seek the view of the other nominating body under the Scheme.

We would therefore be grateful if Heighington Parish Council could consider the proposal as previously notified and provide a formal response.

Yours sincerely
