

Grant applications 2025-26

Non-confidential

Report by: Elaine Atkin

Date: 02/07/25

Report to: Parish Council 07/2025

There is £2,000 allocated in the budget for grants for this financial year 2025-26.

Our Grant Awarding Policy asks that grant applications are submitted between 1 April and 30 June, for review at the July council meeting.

Any grant applications received after this point can still be considered at a future date, but will be dependent on whether there is any monies remaining in the grants budget.

The following grant applications have been received:

Applicant	Amount requested	Purpose of grant
Garrett's Charity	£1000	As part of a larger project to replace the roof on the Heritage Rooms we need to replace the lead box gutter that runs between the Brenda Webster Room and the chapel. This gutter has failed and is allowing water ingress. Total cost of the box gutter is £4500.
Heighington Christmas Market	£100	Help towards the running costs of the Heighington Christmas Market (total expenditure £7661.86).

Recommendation

Council considers what grants it wants to award.
