

# Review of Website Accessibility Statement

## Non-confidential

Report by: Parish Clerk

Date: 06/01/26

Report to: Parish Council 01/2026

---

The AGAR (Annual Governance and Accountability Return) for 2025-26 has a new 'Assertion 10' focussed on Digital and Data Compliance. One of the elements under Assertion 10 is to ensure that the council has a website that meets the Web Content Accessibility Guidelines (WCAG) 2.2 AA standards. Whilst this requirement to meet the Accessibility Guidelines is **not new**, the new AGAR assertion requires a council to confirm that it meets these.

A full review of the council's website has been completed, using the Wave<sup>1</sup> accessibility checker. (See separate document for results).

Our Accessibility Statement has been updated to confirm the testing done and confirms any elements which need further work and the timescales by which we aim to complete this.
